

VESSEL

OLD / Discontinued Style

Rubber: Grey color

New Look & Design!

No.900 (Blue and Black)

Rubber: **BLACK** color

Shank : Fully hardened chrome vanadium steel, high-duty and durable. Rust-resistant chrome plate finishment.

Grip : The diagonal portion is made of elastomer resin. This is non-slip and fits well user's hands.

Knurled shank, which also prevents fingers from slipping when rotating rapidly, and this is also good to widen a hole on a board (eg. gypsum)

The color is changed to more appealing one.

• Phillips only

Non-Slip Mesh
